

## Odyssey of the Seas<sup>SM</sup>

Europe's first Quantum Ultra Class ship is coming to the Old World and bringing more ways to max out your clients' adventure, with longer stays in port on every itinerary and overnights in some of your favorite destinations. That means more time to soak up the best of the Mediterranean, Greece, and beyond. Think sunset views of Santorini from 300 feet above sea level in the North Star<sup>®</sup>. Afternoon wine tastings at a local vineyard in Crete. And nights spent dancing under the stars in Athens. This isn't one coast, one note. This is a whole new perspective on some of Europe's most legendary shores onboard the new *Odyssey of the Seas* — sailing from Rome beginning May 2021.
